

## PITTSBURGH VINTAGE GRAND PRIX PASSPORT TO ELEGANCE SPONSORSHIP THURSDAY, JULY 21, 2022 6:00 – 10:00 PM

The PVGP's Passport to Elegance is one of the "Can't-Miss" parties and a highlight of Race Week - this soiree is scheduled to land at the Pittsburgh-Butler Regional Airport in 2022.

Arrive in style at this high-flying party amidst rare and exotic vintage cars and airplanes in an atmosphere of luxury and fanfare. A top-shelf open bar and an impressive menu will have everyone talking. Don't miss the rest of the surprises in store for our guests. This event is the highlight of our Race Week parties and a large fundraiser for our charities.

The party takes place in the two original hangars at the Butler Airport when it was opened in 1929 with much fanfare and aircraft demonstrations. Amelia Earhart received her instrument training here in addition to having long-range fuel tanks installed on her Lockheed Vega. In 1932 she flew the single-engine aircraft across the Atlantic Ocean and eventually nonstop across the U.S.
