The Pittsburgh Vintage Grand Prix Motorsport Festival is one of our nation's largest vintage events and the only one run on city streets. Ranked in the top 10 of all car shows, the PVGP is firmly established as one of the world's premier automotive festivals and a destination for national brands, car club gatherings and an ideal venue for sponsor activation. We put you in front of 100,000 spectators during Race Weekend at Schenley Park where we blend a 3,000-vehicle car show in a park like setting where spectators watch vintage races through the streets and visit the car displays and vendor tents.
