Schenley Park Vendor Village - July 19/20, 2025 Weekend

Vendor Village is a dedicated area at Schenley Park that provides an excellent opportunity for you to display and sell your products and services to 100,000 spectators. Vendor Village has been transformed with uniformed tents and a dedicated pathway. Each vendor spot includes a PVGP-supplied white hi-peak tent with a back wall. Three sizes of tents are available. This greatly improves the appearance and set-up of the tents - increasing traffic flow and business through the entire village. Tables, chairs, tent sidewalls, and electricity are available for rent and will be in your tent when you arrive.

There is a very limited amount of street parking on Darlington Drive to park your support vehicles during the event - this provides easy access for supplies. Parking is also available on nearby streets or on Flagstaff Hill. Vehicles can pull onto the golf course to unload before 9:00 AM and after 5:00 PM.
